A Note From Mrs. Mitchell

Teachers are excited this week because Charleston County has started SmartBoard installations here at James B. Edwards. They have been anxiously awaiting their arrival!

Family Math Night/PTA will be on Tuesday, November 10th. We will begin serving pizza at 5:30 PM, followed by a short PTA meeting at 6:00 PM, and Family Math Night activities immediately following the meeting. Students attending Family Math Night will receive a pass to be exempted from homework for Tuesday evening!

DHEC will be offering the 2009 H1N1 flu vaccine at our school. We have been instructed by Charleston County to send home information packets on November 16, 2009 with consent forms due back to us by November 20, 2009. We haven't been informed of the actual date that DHEC will be here providing the vaccine. Parents can also call the FLU HOTLINE at 953-0095 to arrange for free flu shots at a local clinic.
