JBE Angel Tree

All of our Angels have been adopted. 50 Angels were adopted between the school, the Senior Center, East Cooper Hospital, and Mt. Pleasant Presbyterian Church. Thank You. If you are interested in donating, we are accepting grocery store gift cards for our Angels. These can be any store and for any denomination. Please remember to return all gifts (with the angel attached) by December 16. Gifts can be wrapped or unwrapped. Help us make the holidays brighter for our angels.

JBE School Book Drive-"Gifts for Ghana" and "Board Books for Babies"

JBE will be teaming up with the South Carolina International Reading Association (SCIRA) to promote literacy worldwide. Our school will be accepting donations of gently used and new books for school libraries in Ghana. This is an excellent opportunity to have your child study Ghana, the country and help the children have books to learn about new things and to take many journeys through the words of authors. The SCIRA is also collecting gently used or new board books for babies. These board books will be distributed among local health centers for new mothers. The Drive will run from December through January and donations may be sent to school with you or dropped off in the front office. Let's all try to donate a book and share the gift of reading with children near and far.
