

## Dates to Remember

November 23: Interim Reports

November 25-November 27: School Closed for Thanksgiving Holiday

December 7: Cookie Dough Orders ready for pickup (please note new date)

## The PTA Post

Thank you again to all our parents who supported the Cookie Dough sales fundraiser! Through your efforts we will have over \$10,000 in profit to spend on school-wide improvements including new carpeting for the media center pit area as well as security card swipes for the Kindergarten building! Thank you to all!"

**\*Remember\***

As the weather begins to cool, make sure your child's jacket/sweater comes home with them everyday. Every two weeks the lost & found needs to be cleared out and if you don't want your child's clothing donated to Goodwill, make sure he/she has everything at home that they've taken to school!

Coby Mozingo-PTA President

## South Carolina - Did you know?

Average annual precipitation: 45 inches

Record low temperature: 19 degrees (1977- Caesar's Head)

Record high temperature: 111 degrees (1925- Blackville and Calhoun Falls, 1954 - Camden)

Every few years, Irmo has a sighting of some kind of water monster that inhabits Lake Murray. The monster first 'surfaced' in 1973 when residents of Irmo and Ballentine saw a cousin of the Loch Ness Monster. It was described in The Independent News in 1980 as "a cross between a snake and something prehistoric."
