A Message from Anne DiCenzo, Assistant Principal

The safety of our children is very important to all of us, and with that in mind we need your help. Several cars have driven by the busses in the front of the school when students are being dropped off or when we are loading. We supervise but we all know it only takes a second for a student to run out in the road even with someone standing beside them. Please help us enforce the rule of

bus drop off and pick up only during the times posted and help keep our children safe. As always, thank you for your support.

PTANews

Sally Foster Sales Continue---**FINAL DUE DATE: Monday, September 21!!!**

Thank you to all who have helped your student sell the great Sally Foster products. This is such an easy way to support your school. Everyone can find wrapping paper, ribbon, small gifts, or delicious chocolates that they can use or have ready for that unsuspected gift! Remember that there is no sales tax on catalog orders. Most importantly, 50% of all sales money goes straight to JBE PTA. The sale has been extended to September the 21st to make sure that everyone has had the opportunity to get out there and sell. If you need another order form it can be found in the front office! And don't forget that online sales can continue through Christmas and these orders are free shipping if the sale is \$70 or more. Thanks again for all you do for our great school!

Got PTA ??? If not, we need you. Please join the PTA and support our wonderful school. We currently have 185 members and would love to reach our goal of 300. If you have any questions or need a form, please contact Jennifer Doyle at jen_doyle@bellsouth.net or pick up a form at the front office.

The PTA is looking for volunteers to help cover lunch for our teachers. If you can help during your child's lunch period, please contact Melissa Riker at melissa.riker@yahoo.com. Let's give our teachers a well deserved break.

We are still looking for volunteers to help in the library. If you are interested in helping please contact Sally Pederson at Sally_Pederson@charleston.k12.sc.us.

South Carolina Facts: Did You Know?

The walls of the American fort on Sullivan Island, in Charleston Harbor, were made of spongy Palmetto logs. This was helpful in protecting the fort because the British cannonballs bounced off the logs.

The salamander was given the honor of official state amphibian.
